

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 1999-132-C - ORDER NO. 2003-40
JANUARY 27, 2003

IN RE: Application of OneTone Telecom, Inc. for a)	ORDER AMENDING
Certificate of Public Convenience and)	CERTIFICATE TO
Necessity to Provide Local Exchange and)	PROVIDE SERVICES BY
Interexchange Telecommunications Services)	WAY OF UNE-P
within the State of South Carolina and for)	
Flexible Regulation of its Local Service)	
Offerings and Alternative Regulation of its)	
Interexchange Service Offerings.)	

This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of a request filed by OneTone Telecom, Inc. (“OneTone” or the “Company”) to amend its Certificate of Public Convenience and Necessity to reflect that OneTone will be providing telecommunications services through the use of resale and the unbundled network elements platform (UNE-P) in South Carolina. By its request, OneTone asserts that the Company now intends to provide prepaid local telephone services on both a resale basis and by means of UNE-P.

OneTone was originally granted authority to provide local and interexchange telecommunications services within the State of South Carolina in the name of Talon Communications, Inc. and such authority was granted by Order No. 1999-485, dated July 8, 1999. Additionally, Order No. 1999-485 granted OneTone alternative regulation of its long distance services and flexible regulation of its local telecommunications services.

Thereafter, by Order No. 2000-746, dated September 8, 2000, the Commission approved a change in the Company's name to its presently known name of OneTone Telecom, Inc.

By a letter dated January 13, 2003, which was submitted through its counsel, OneTone asserts that the Company now intends to provide service through utilization of the UNE-P. Accordingly, OneTone respectfully requests that the Company's Certificate of Public Convenience and Necessity be amended to include prepaid local exchange offerings by way of UNE-P.

Upon consideration of this matter, the Commission finds and concludes that the Certificate of Public Convenience and Necessity granted to OneTone should be amended to reflect that OneTone now has authority to provide prepaid local telecommunications services in South Carolina on both a resale basis and by means of the unbundled network elements platform (UNE-P).

IT IS THEREFORE ORDERED THAT:

1. OneTone Telecom, Inc.'s Certificate of Public Convenience and Necessity is amended to reflect that the Company has authority to provide prepaid local exchange telecommunications services through resale and by means of the unbundled network elements platform (UNE-P).
2. The Commission's records will hereby reflect the amendment of OneTone Telecom, Inc.'s authority in South Carolina.

3. This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

Mignon L. Clyburn, Chairman

ATTEST:

Gary E. Walsh, Executive Director

(SEAL)
